Philippine Symposium Sustainable Sanitation 2009
Training
1st International Lecture Series on Sustainable Sanitation

The Center for Advanced Philippine Studies in cooperation with the Ayala Foundation and Xavier University will be holding the 1st International Lecture Series on Sustainable Sanitation. The event will be held on April 12, 2010 from 8:30AM – 12:00NN at the Reading Room of the Filipinas Heritage Library – Makati Avenue, Ayala Triangle, Makati City. The topic for this series will be “Waste Water Reuse in Buildings” with Prof. Ralf Otterpohl and Dr. Jurgen Recklin as resource speakers. Due to limited seats, attendance is strictly by invitation and on a first come first served basis only. See attached email for registration [Doc Format] for more.
